Enrollment Appointment

Beginning March 1, 2019 enrollment appointments are viewable on enroll and pay.

Criminal Prosecution Field Placement Program, Elder Law Field Placement Program, Field Placement Program, Legal Aid Clinic, and Project for Innocence will require a permission number to enroll. These specific

field placements or clinics will provide the Registrar with a list of people who should be enrolling. The Registrar will email those students to give them a permission number for the class. Field Placement Program codes will be distributed by email after Professor Jennifer Schmidt gives her approval.

Some courses have related discussion sections, such as Trial Advocacy. When a student enrolls in a related section, they will automatically be enrolled in the large class.

Final Exams

The final exam schedule for the summer and fall semester of 2019 will be posted on the website. Choose your summer and fall course schedules mindful that you may have several consecutive final examinations and that relief from such a situation cannot be guaranteed to any student.

Waitlists

During fall 2019 main enrollment waitlists will be online in enroll and pay. Upcoming 3L's will be given priority since they will be the first to enroll. If you choose to use the waitlist, keep in mind we've identified a few glitches- If you sign up on a waitlist the computer will automatically enroll you in the class if there is an opening and will not give you any notice. The computer will not enroll you if you are already enrolled in a class that conflicts with the waitlisted class. If you sign up on a lab section waitlist you cannot move to another lab section waitlist and you will not be enrolled if an opening becomes available in another lab. If you have a hold, the computer will not pull you from the waitlist. Since you will be automatically enrolled in the class if there is an opening, you will be responsible to check your schedule online regularly and make any adjustments necessary.

Degree check:

A degree check function is available in the myku portal under the academics tab. A student can generate a new degree progress report or and view a checklist to see what academic requirements have been met and what requirements are remaining.

It is strongly recommended that students who are planning to graduate in the coming semester check the degree progress report to make sure they will meet degree requirements. They can check with the Registrar if they have questions and it is best to do so before beginning the last semester.

Grades:

Grades are viewable at the end of the second summer session and at the end of the fall semester after Professors/Instructors post them electronically. The due date is 3 weeks after the end of the last final exam for the summer or fall.

Independent Research:

Requirements for Independent Research are listed in the course description. There are no exceptions to these requirements. Special permission from the Professor is required prior to enrollment in Independent Research. To obtain special permission you should email the Professor and forward his/her response to the Registrar at vpalmer@ku.edu. You will receive an email response with a number that will allow you to enroll online. This should be done before the beginning of the semester.

Joint-Degree Students: See the Registrar if you have questions.

Law Students Enrolling in Non-Law Courses:

Law students not enrolled in joint-degree programs may take up to six hours of graduate level, non-law courses for credit toward graduation requirements with the permission of the Associate Dean for Academic

Affairs. Students are required to submit requests via email to the Associate Dean for Academic Affairs and should include a course description, list of required readings and a course syllabus, if available. Approval to take a non-law course must be obtained from the department offering the course prior to enrollment at the Law School. Permission numbers are required to enroll online. The department offering the course will provide the permission number. Remember that grades in these classes do not affect your law school GPA but you must earn a B or better for the class to count towards the J.D.

Make-up classes:

In the event a make-up class becomes necessary to meet the ABA standard for minutes in the classroom the class will be scheduled by the Professor and he/she will assign a specific date. The following days have been set aside:

First Year Make-Ups: 12:30 Monday
12:30 Friday

Upper-Level Make-Ups: 12:30 Monday
12:30 Friday
3:45 Friday

Second-Year Requirements:

Professional Responsibility must be taken before the student finishes his or her 60th hour of Law School. Exceptions are not permitted.

If a student intends to apply for a Kansas Legal Intern certification (rule 719) for the summer after their 2L year so that they can appear in court they will need to have completed 60 credit hours.

Transcripts:

An official copy of your academic record is located in the Office of the University Registrar. Unofficial copies of the academic record are available at the myku portal under the my progress tab, law report.

Withholding Directory Information:

A student may request to have directory information, as defined in "Policies Affecting Student Rights and Responsibilities," withheld from the public. This request can be made at the University Registrar's Office 15th and Iowa.

Prerequisites:

When choosing your classes please be aware of class prerequisites and abide by them. If you enroll in a class for which you have not completed the prerequisite, you will be asked to drop the class. A substantial number of second and third-year courses have one or more upper-level courses as prerequisites. The prerequisite table is listed in the online catalog: <http://catalog.ku.edu/law/#prerequisitestext>

Additional courses may be added at a later date. Notifications of any changes will be made via email.
