I certify that I completed the pro bono work described above and that I have not received, and will not receive, any compensation or academic credit for that work. Further, I acknowledge that the definition of pro bono work for the Pro Bono Program at KU may be different from the definition of pro bono work for other jurisdictions. If I need to fulfill a pro bono requirement for admission to the bar for another state (e.g. New York), I understand that I will need to review that jurisdiction's policies to determine if these pro bono hours will satisfy that requirement.
