

Paul E. Wilson Project for Innocence and Post-Conviction Remedies

Application for Summer 2022 and Fall/Spring 2022-2023

Applications are due Friday, March 11, 2021 by 5:00 p.m.

Thank you for your interest in The Project for Innocence. We seek to attract students with genuine interest in serving clients. The indigent prisoners we represent have no choice in who represents them.

Please understand that The Project for Innocence requires, in addition to class, a **minimum** time commitment of twelve hours per week in the fall and spring, and twenty-five hours per week in the summer. Please apply only if you are willing to devote your full energies to your clients' needs. After an initial review of the applications, we may decide to interview for some or all of the available slots. You will be notified of acceptance prior to enrollment.

Enrollment in the Project will count toward Professional Writing and Experiential Learning requirements. Criminal Procedure is a co-requisite of the Project unless you are applying for the summer session.

Also, please understand that if you are accepted, you will be asked to sign statements of 1) intent to enroll in the Project, 2) conflict of interest and, 3) confidentiality.
